

INDIAN INSTITUTE OF TECHNOLOGY KHARAGPUR

1. **Name of the Academic Unit:** Geology & Geophysics

2. **Subject Name:** Paleontology (Lab) **L-T-P:** 0-0-3 **Credits:** 2

3. **Pre-requisites:** NA

4. **Syllabus and reference books:**

Syllabus:

Study of important vertebrate, invertebrate and plant fossils in hand specimens, use of stereozoom binocular microscope in study of microfossils.

Reference Books:

- 1) Invertebrate Palaeontology And Evolution, E.N.K. Clarkson, Wiley India Pvt Ltd
- 2) Vertebrate Palaeontology, 4th Edition, Michael J. Benton, Wiley-Blackwell
- 3) Introduction to Marine micropaleontology by Haq
- 4) Introduction to plant fossils by C. Cleal and B. A. Thomas

5. **Lecture-wise break-up:**

Sl. No.	Topic	No. of lectures
1	Invertebrate fossil identification	21
2	Vertebrate fossil identification	9
3	Plant fossil identification	3
4	Use of stereozoom microscope to examine microfossils	3
Total number of hours		36
